

## **CAR CLUB for Penrith**

PACT is exploring the possibility of setting up a car share club in Penrith, allowing members to use a shared car on a 'pay as you go' basis. Our feasibility study is funded by a Cumbria County Council Neighbourhood Forum grant.

A Car Club is an organisation that owns cars that are shared by its members. People arrange in advance when they want to use a car, book it, and pay to use it. The advantage is that members do not have to pay the whole cost of owning a car, but are able to use one when they need to. People are able to hire cars by the hour and can pick up the vehicle from convenient residential locations, exploiting the flexibility offered by smart card technology and online and mobile booking tools.
